Kiwanis Club of Auburn

October 1, 2007

P.O. Box 434, Auburn, CA

President's Message

Thank you to everyone who attended the board retreat on Saturday, September 22nd. It was a very productive meeting. We discussed the goals for the year, set up many of the committees (see committee list on page 5) and worked on our 2007-08 budget. We will review the committees and ask for members to sign-up to serve on committees at our October 10th club meeting. I appreciate the great participation we had and look forward to another great year in service to our community.

Board Meeting

The first board meeting will be Tuesday, October 2nd at 5:30pm in the Board Room at Sutter Auburn Faith Hospital. We will finalize the budget for the 2007-08 year. Any interested members are welcome to attend.

Placer High Key Club

We have a faculty advisor! Mr. Larry Alberts, art teacher and former Key Club advisor has agreed to be the advisor for this year's Placer High School Key Club. The first meeting was Thursday, September 27th with 13 key clubbers and 6 Kiwanians (Chris Bunnell, Don Hildreth, Tod & Bev Santos, Carol Zobel and Kiwanis advisor Bob Tutton) in attendance. Co-Presidents Emily Brennan and Jessica Briles ran the hastily called meeting. They encouraged the attendees to spread the word so next week's meeting should have a much greater attendance.

EV Cain Builder's Club

The first meeting of the EV Cain Builder's Club was Wednesday, September 26th. Kiwanians in attendance included Tod & Bev Santos, Ivor & Pat Thomas, Mark Tomasi, Ed & JoAnn Wojcik, Bob Solly, Kiwanis advisor Bob Tutton and Club advisor Woody Hoffmann.

Upcoming Meeting Programs:

- Oct. 3rd - Girl Scout Troop 1631
- Oct. 10th - Club Committees
- Oct. 17th - Lisa Mondale
Coalition for Youth
- Oct. 24th - Major Lewis
Auburn Salvation Army
- Oct. 31st - Club Halloween Party

Laird is planning a special Veteran's Day program for our November 14th club meeting. Any veterans in the club that are interested in participating, please contact Laird.

See's Candy Fundraiser

The See's candy committee recently visited the old Java Junction building on the corner of Hwy 49 and Bell Road. The building would meet our needs. The landlord won't make a decision until November 1st, but it looks promising as the location for our See's Candy store. Continue to let Nancy know if you see vacant space around town.

Dues are due

You should have received your dues notice for the coming year. Annual dues are due October 1st and remain unchanged at \$100 per year (\$92 for the spouse of a member). Bring to a club meeting or mail to the Kiwanis Club of Auburn at PO Box 434, Auburn, CA 95604-0434.

**September
26th Meeting
Steve
Galyardt and
Bruce
Cosgrove**

Steve Galyardt is the 100th Chamber of Commerce president. Cindy Eklund will follow Steve as next year's president. Bruce Cosgrove has been the Chief Executive Officer of the Chamber for 24 years.

The mission of the Auburn Chamber of Commerce is:

- To provide services that strengthen our members;
- To advocate policies that improve the business climate;
- To promote the economic development of the Auburn area; and
- To develop coalitions with organizations to build a better community.

The message of the Auburn Chamber of

Commerce is that they represent the business community of Auburn. Not Downtown, Old Town, Upper Lincoln Way, Highway 49, North Auburn nor any other term to describe our community service area. They are:

**ONE Market Place
ONE Community
ONE Focus**

They operate with a budget of over \$700,000. Their largest fundraiser is the annual Black & White Ball (in its 16th year) along with the Black & White Golf Tournament (in its 13th year).

When asked what the chamber does, President Steve replied "we make the things that just seem to happen, happen."

Our Kiwanis Club is a member of the Chamber of Commerce and as such, all members are welcome to attend chamber functions as a member. To find out more about the chamber functions, check out their website:
www.auburnchamber.net.

Farewell to Bruce and Karen Huck

To all my dear Kiwanian friends it is not with a
light heart that I announce Karen's new job in
Oregon. Just as we told our friends in Burbank 17
years ago we were moving to Auburn. Here we are
17 years later headed to Oregon for another
adventure.

Living here 17 years has been wonderful and being
in Kiwanis for 15 of those years has been as good or
better. The time spent and memories made will
always be in my heart. Too many to list, too many
friends to thank. So thank you all for 15 wonderful
years.

While not in the club I will not be gone completely.
My job with United American will require some
time spent in Auburn to service existing clients and
and I will be active in acquiring new clients before
the end of the year. For those of you whose projects
I have been part of I will still help you as much as
possible. Most of what I do is by phone so that is
not going to change even though I may be in
Oregon. Call me - you never know when a few
minutes spent can make for very positive results.

What will always be in my mind and heart is how
many children the club will help in the coming
years from the funds raised through See's Candies.
The success we have had with See's as a fund raiser
to provide opportunities for children still seems like
a dream come true. Hopefully the community
continues to support our effort here keeping the
dream alive.

Once again thank you one and all for 15 wonderful
years.

Bruce & Karen Huck

Club delegates approved in principle the establishment of Kiwanis districts at the Providence, Rhode Island, convention in 1918. The purpose of Kiwanis districts is to promote communication and interchange between clubs and assist in carrying out the administrative responsibilities of Kiwanis International. Most of the original 29 districts were organized by the end of that year.

Club Committees

The Committee on Club Administration is responsible for providing the most effective club meeting possible. Areas of focus should include the club meeting program, risk management, reception, fellowship, and inter-club relations, as well as other areas the committee may deem pertinent.

The Committee on Community Services should implement projects on the arts, business affairs, citizenship, civic improvement, community beautification, conservation, health, international understanding, literacy, public affairs, safety, or help for senior citizens and disabled persons. Popular projects include Special Olympics, Meals on Wheels, issues forums, and youth exchange.

The Committee on Finance and Fund-raising is responsible for preparing a budget of estimated income and expenses for submission to the board of directors, as well as any recommendations it may have on financial matters of the club. It also is responsible for securing the funds necessary to meet budget requirements.

The Committee on Human and Spiritual Values should implement projects that support spiritual development, provide human companionship and comfort, or offer counseling and guidance. Projects can encourage interfaith and interdenominational religious activity, such as prayer, but should not support a specific religious sect. Popular projects include prayer breakfasts, layman of the year awards, transportation to religious services, visits to nursing homes, and support of grief counseling.

The Committee on Membership Growth and Education should strive to increase membership according to the standards provided in the bylaws. The committee should consider all Membership Applications and submit its recommendations to the board of directors. The committee also should develop an effective orientation and induction ceremony for new members and promote regular attendance by all members at club meetings.

The Committee on Public Relations is responsible for helping to ensure that the public receives, through the media and other means, the Objects, goals, programs, and achievements of Kiwanis International and the club.

The Committee on Sponsored Youth shall devise ways and means to establish and support Kiwanis Kids clubs in elementary schools, Builders Clubs in junior high or middle school, Key Clubs in high schools, Circle K clubs in the universities and colleges and Aktion Clubs for adults with disabilities and should encourage and promote the activities of all Aktion Clubs, Kiwanis Kids, Builders Clubs, Key Clubs, and Circle K clubs sponsored by the club. The committee should include the Kiwanis club advisors to sponsored Circle K, Key Club, Builders Club, Kiwanis Kids and Aktion Club.

The Committee on Young Children: Priority One should implement projects for children, prenatal through age five. Projects can address maternal and child health, childcare, early development, nutrition, parenting education and support, advocacy, pediatric trauma, or safety. Popular projects include encouraging literacy, assisting childcare and preschool programs, distributing the home-safety checklist, conducting bicycle safety programs, and assisting with immunization programs.

One of my goals for the year is to have functioning committees. I'd love for every member of the club to be a member of at least one committee. This involvement is important for two reasons: (1) this is your club and we want the input from as many members as possible and (2) "many hands make light work" – the more people involved, the less work for each person. My hope is for the committees to meet regularly and bring their recommendations to the club board of directors. I will also be regularly calling on the committee chairs to report to the membership at club meetings to keep everyone informed.

Thanks, Carol Zobel, Club President, 2007-08
